

Chartwell are a leading residential development company with a unique ability to unlock land and build beautiful homes throughout Surrey, Kent, Sussex and South East London. We build everything from 'one off' stunning detached houses to modern multiple housing and apartment schemes.

We often succeed where other developers fail, and this is due in no small part to our in-house architectural and planning team. As experts, we are able to realise the potential of a site and therefore maximise the land value for the owner. We are proud to forge productive partnerships with both clients and planning authorities to seamlessly and consistently plan, design and construct beautiful homes.

All our developments are bespoke and adhere to the principles we have established over several years in the business. These include working in sympathy with both the local character and a site's setting, using modern methods of construction, working sustainably and designing properties using the finest materials and latest features and technologies.

Here are some recent examples of Chartwell built homes:

- |                              |                               |
|------------------------------|-------------------------------|
| 1. Windmill Rise, Warlingham | 5. Phoenix House, Chislehurst |
| 2. Avery Drive, Horsham      | 6. Oldencraig Mews, Lingfield |
| 3. Gresham Road, Oxted       | 7. Bluehouse Lane, Oxted      |
| 4. Park Road, Oxted          |                               |
